CLEAN WATER SAVES LIVES!

For three years, *Wine to Water* has helped JustHope build water systems in THREE extremely poor communities in Nicaragua - bringing clean water to over 11,000 people and LITERALLY SAVING LIVES! *Wine to Water* has also supported scholarships for hundreds of school children, and made it possible for women to start small businesses through micro-credit loans.

This year the dreams are even bigger!

Wine to Water

Oct. 13, 2011

Along with stabilizing our water projects, we are starting work on a vocational school where young people can learn carpentry, welding, mechanics, and other technical skills... and starting more small businesses... and equipping a community clinic and lab.
