18 families in La Flor now have latrines! And JustHope partners are planning to complete another 44 in 2013 -- so every family will have a latrine! (How many of us would consider a latrine a luxury?)

The 5th annual Making Music Camp ended a week ago. it doubled in size this year.... involved more of the local community... and spurred more hoping and dreaming for the future. Is a Community Music School in the making?

Thank you for the many ways you continue to partner with us to increase global

Justice and Hope!

We can do far more
together
than any of us can do
alone!
