Breaking news...

Stitching Hope has been awarded a contract with the United Church of Christ (UCC) denomination to provide hand-painted fabric for all the stoles, banners, and other themed items that will be used at the General Synod in July, 2013! Not only will it mean additional business for the growing enterprise, it will mean news stories, publicity, and perhaps even presence at Synod!

Congratulations women of Stitching Hope!

Remember when they broke ground in July!? The Stitching Hope building is already finished!

And as always, we are working together with our partners in Nicaragua to get **clean water** to every family and **education** to every child. We couldn't do all of this without your support.
