We have Dreams for 2013...

Your year-end gift can make them come true...

"My dream is to go to school... but I don't have shoes or even a pencil"- Meyling. A \$50 scholarship would help Meyling attend third grade. And there are about 500 other students in Chacraseca and Santa Emilia who also need help to attend school. Together we can change futures.

"My neighbor and her child almost died last week, because her baby was breech and there was no transportation to get her to the hospital. We all dream of having an "ambulance" (a 4 wheel drive pickup that can navigate the bad roads). If 20 of us gave \$1000... or 200 of us gave \$100... we could make this dream come true. Together we could save lives.

"I can't afford college. But if there was a class in mechanics or welding or carpentry or cell phone repair, I could gain some skills and get a job. That's my dream..."- Victor.

A vocational school starts with just one teacher and the supplies for 5 students. \$250 would provide the first class. Together we can turn a dream into a class!

We need to add a small porch with a roof so patients aren't waiting in the rain or the blazing sun... "- Dr. Somarriba, Chacraseca clinic. \$2000 would build the porch. That's about \$20 a square foot.

Community College as they travel to Chacraseca in an effort to document the rich history of this community.

"We have to use our neighbor's latrine since we don't have one.

There are three other families who use it as well. I dream that one day my family will have a latrine that's ours... that we can keep clean, and use whenever we need to."

There are over 300 families in Chacraseca who don't have the "luxury" of a simple latrine. Together we can improve community health by building latrines - \$300 each.

Operating Funds:

JustHope is dreaming of some donor partners who will pledge to help cover our monthly operating costs. \$10 per month will pay for a visa; \$25 per mo will pay gas for Julio's motorcycle; \$40 per mo will cover our email newsletter service; \$100 per mo will pay cell phone costs for our Nicaraguan staff (Elba and Julio). Our operating costs are less than 10% of our total budget -- that's well below most non-profits. But without them nothing else is possible.

Use [this link to Pledge or Donate](#) to help turn ALL these dreams into reality!

"Be a Sustaining Partner"

We can do far more **together** than any of us can do alone!

As little as \$10 each month can make a huge difference in JustHope's work- creating global partnerships, combating poverty, and nurturing sustainable community.

Your monthly donation is a guarantee of regular and predictable funds, which allows us to plan ahead effectively and

commit to the long-term with our partners in Nicaragua.

You can sign up by clicking [here](#) and using the "Subscribe" button OR [email us](#) and we'll be happy to set it up for you.

JustHope is a 501c3 organization dedicated to creating global partnerships, combating extreme poverty, and nurturing sustainable community.
