Good news!

The 136 farmers
we were able to
help plant crops
are thrilled - corn
is 7-10 feet high
and people know
they will eat during
the dry season.

Thank you all for supporting our efforts to keep these
crops growing and farmer's families fed!

Part of your wine for water dollars are already being putto good use! JustHope, with the help of other solidarity partners, recently replaced the burned out pump in one section of the Chacraseca water project. The people of the community raised \$1500 as their contribution and JH Partners and friends added \$6000 to that! 140 families were without water for two weeks - but it would have been much longer without your generosity.

Don't forget to mark your calendars! Giving Tuesday is **December 2!** That's only 12 days away! And Donate Now/Constant Contact are matching donations on that day! [More Info Here](#)

"Be a Sustaining Partner"

We can do far more **together** than any of us can do alone!

As little as \$10 each month can make a huge difference in JustHope's work- creating global partnerships, combating poverty, and nurturing sustainable community.

Your monthly donation is a guarantee of regular and predictable funds, which allows us to plan ahead effectively and

commit to the long-term with our partners in Nicaragua.

You can sign up by clicking [here](#) and using the "Subscribe" button OR [email us](#) and we'll be happy to set it up for you.
