

JustHope's Work Continues

A JustHope News Special Edition

Dear JustHope Supporter,

We are deeply saddened by the events of the past weeks and want to thank you for your understanding as we adapt to the changing landscape in Nicaragua. JustHope remains committed to the mission of creating global partnerships that combat extreme poverty and nurture sustainable community.

By continuing programming in Chacraseca and La Flor, JustHope is living out its core values of solidarity, sustainability, mutuality and collaboration.

JustHope's work continues as we stand in solidarity with our Nicaraguan neighbors. Our PartnerTrip program, which has been temporarily suspended, generates **30%** of JustHope's annual operating fund.

In order to ensure long-term sustainability of our programs, we ask that you consider making a donation to JustHope's Sustainability Fund.

In peace & solidarity,

Jennifer Payton, MPA
