Farmer and microcredit participant

## Who We Are - JustHope's New Video

We partnered with a filmmaker in Nicaragua to highlight *what* JustHope is doing and *who* we are impacting. We are making a difference in the lives of people like Yamilet, a farmer and microcredit participant, who remarked:

*"Three years ago I never hoped to succeed like I do now.  
Today I feel secure because I have a way to earn."*

We will be screening the video at Wine for Water on Oct 1. Check it out on [YouTube](#).
